

Headway Arts present creative workshops for the dark nights

MONSTER MAKERS

AND Shadow Stories

As the nights draw in Headway Arts offer two exciting workshops suitable for all ages. In **Monster Makers** create your own creature and bring it to life as a giant puppet and perform their creepy story. In **Shadow Stories** make puppets and tell tales using this ancient form of theatre. Headway Arts are more than happy to tailor either workshop to your group's requirements.
